

# Okta Setup and Portal Access Guide

2022

CONFIDENTIAL AND PROPRIETARY Any use of this material without specific permission of McKinsey & Company is strictly prohibited

#### Welcome to your OHI portal

#### About the OHI portal

The OHI portal is an online tool that will support you in conducting the OHI survey for your organization.

You will use the portal to finalize the survey design, generate a survey link for your organization, monitor response rates, and view your OHI results.

#### This document will guide you through the Okta Setup and Portal Access process:

Activate your McKinsey account

Set up multi-factor authentication (Okta)

## **1** Activate your account

You will receive an onboarding email from <u>noreply@okta.com</u>.

- **1** Please click on the **Activate account** button.
- 2 You will be prompted to create a password. Please **create a password** according to the rules listed on the screen.
- 3 Click on **Create My Account**.
- You should then be taken to the Set up multi factor authentication page (further details on the next pages).
